

Principal Functioning Agents:

Proprietary blend of water conditioners, polymers and polysiloxane 53%
Constituents ineffective as an adjuvant 47%
Total 100%

Components exempt from the requirement of a tolerance in 40 CFR 180

GENERAL INFORMATION

DESIGN is a water conditioning adjuvant that can be used as an ammonium sulfate replacement. **DESIGN** contains water conditioning agents that will aid in controlling hard water antagonism. **DESIGN** contains no ammoniacal nitrogen, so it may be used with pesticides that prohibit the use of ammonium sulfate based conditioners. Additional adjuvants may be required to maximize pesticide performance. **DESIGN** has excellent plant safety.

WARNING!

Causes eye irritation. Causes skin irritation. Harmful in contact with skin. May cause drowsiness or dizziness. Keep out of reach of children.

PRECAUTIONARY STATEMENTS

Read label before use. **Wear protective face and eyewear, clothing and gloves. Avoid breathing dust, fumes, gases, mist, vapor or spray. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area.** If medical advice is needed, have product container or label at hand. Avoid contact with eyes, on skin or clothing. Remove and wash contaminated clothing before reuse. See Safety Data Sheet for further details regarding safe use of this product.

DIRECTIONS FOR USE

For use with products registered for: Agricultural, Forestry, Industrial, Municipal, Ornamental, Right-of-Way, Turf and Non-Cropland.
When adding additional adjuvants to the tank mix, some combinations may exhibit phytotoxic effects to the foliage or crop. Users must have experience with the combinations or follow the labeling requirements for all products and the adjuvant restrictions. Refer to and follow the pesticide label directions regarding adjuvants and loading procedures.

USE RATES

DESIGN should be used at 1-2 quarts/100 gallons. Use **DESIGN** at 1 quart/100 gallons if spray water has <300 ppm hardness. Use **DESIGN** at 2 quarts/100 gallons if spray water has > 300 ppm hardness.

MIXING INSTRUCTIONS

IMPORTANT - Add **DESIGN** to the spray tank first before adding any other tank mix product, unless the tank mix pesticide(s) or additives direct otherwise.

Mixing Order:

1. Fill tank 1/2 full of water and begin agitation.
2. Add the required amount of **DESIGN** while agitating.
3. Continue filling spray tank with water and add the tank mix components as directed on the pesticide label(s).

NET CONTENTS: _____

STORAGE & DISPOSAL

Store locked up in a well-ventilated place. Keep container tightly closed. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Store product between 0°F and 110°F.

Triple rinse (or equivalent) prior to disposal. Add rinsate to spray tank. Offer container for recycling or dispose of in accordance with all applicable regulations. If burned, stay out of smoke.

FIRST AID

IF SWALLOWED:

- Call a doctor or poison control center immediately.
- Rinse mouth with water, lay victim on side and keep at rest. Do not drink.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF IN EYES:

- Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do, then continue rinsing.
- If irritation persists, call a poison control center or doctor for treatment advice.

IF ON SKIN:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for at least 15 minutes.
- Call a poison control center or doctor for treatment advice if feeling unwell or if irritation occurs.

IF INHALED:

- Move person to fresh air and keep comfortable for breathing.
- If person is not breathing call 911 and get immediate medical attention. Administer CPR (cardio-pulmonary resuscitation).
- Call a poison control center or doctor if feeling unwell.

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

Acceptance of Terms - By purchase or use of this product, buyer and user accept these conditions of sale and limitations of warranty and liability. If these terms are unacceptable, return the product unopened for a refund.

Warranty Disclaimers - Rosen's Inc. and seller (collectively "Vendors") warrant that this product conforms to the chemical description on the label. THIS PRODUCT IS SOLD "AS IS" AND VENDORS MAKE NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

Inherent Risks - The directions for use must be followed carefully. It is impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to factors beyond the control of Vendors. Buyer and user assume all risks associated with the use or handling of this product.

Limitations of Liability - To the extent consistent with applicable law, buyer or user's exclusive remedy for any and all claims, losses, injuries, or damages resulting from the use or handling of this product shall be limited to the purchase price paid, or at the election of Vendors, the replacement of this product. Vendors are not liable for any consequential, incidental, or special damages, including lost profits.
