

SPREADER-STICKER

INGREDIENTS:

Modified phthalic glycerol alkyd resin, Octyl phenoxy polyethoxy ethanol and Isopropanol

KEEP OUT OF REACH OF CHILDREN CAUTION

Harmful if swallowed. Avoid contact with eyes or skin. Wash thoroughly after handling. Do not wear contaminated clothing. Spreader-Sticker may cause increased skin absorption of pesticides. Follow all precautionary statements for pesticides when used with this product.

	Provides increased effectiveness of insecticide and fungicide sprays
	Disperses spray droplets for a more even coverage of leaf surfaces
	Increases residual activity of sprays by resisting wash-off

**Net Contents Liquid:
1 Pint (.474 liters)**

DIRECTIONS FOR USE

This product will increase the effectiveness of pesticide sprays by adding better spreading, depositing, and sticking.

CHEMICAL TYPE	SUGGESTED RATE
INSECTICIDES, FUNGICIDES, MITICIDES, & NUTRITIONALS	1 Tablespoonful per gallon (6 ounces per 10 gallons of spray)
HERBICIDES	1-2 Tablespoonfuls per gallon (6-12 ounces per 10 gallons of spray)

Addition should be made after other materials have been thoroughly mixed with water. Mix well before spraying. This product may increase the possibility of plant injury from pesticides.

Compatibility: Spreader-Sticker is believed to be compatible with most pesticides that are not highly alkaline. If separation of spray mixture occurs, do not use.

Storage: Store away from excessive heat. Keep from freezing.

FIRST AID
IF IN EYES: Flush eyes for 15 minutes with plenty of water, lifting upper and lower lids occasionally while flushing. If irritation persists, see a physician.
IF SWALLOWED: dilute by giving two glasses of water to drink. Never give anything by mouth to an unconscious person.
IF ON SKIN: Wash exposed skin thoroughly with soap and water. If irritation develops, see a physician.
IF ON INHALED: Move subject to fresh air. Give artificial respiration if breathing has stopped.

NON-WARRANTY: Seller makes no warranty, expressed or implied as to the use of this material. Buyer assumes all risk and liability for results obtained by use or handling of this material whether or not in accordance with the directions or claimed so to be.
