DIRECTIONS FOR USE

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This label must be in the possession of the user at the time of application.
- Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the EPA-registered label.

Harvest stems and dip buds and approximately 4 inch of stem length in a Medallion WDG mixture of 2-4 oz/100 gallons water. Following immersion of the buds and stem in the application mixture, gently shake stems to reduce excess liquid. Allow stems and buds to dry prior to packing for storage or shipping.
