

NOT FOR ORGANIC USE

WILBUR-ELLIS®

Ideas to Grow With™

GUARANTEED ANALYSIS

Zinc (Zn) 5.80%
5.80% Complexed Zinc

DERIVED FROM: Zinc Amino Acid Complex.

KEEP OUT OF REACH OF CHILDREN
PRECAUTION

Do not ingest. Avoid contact with skin, eyes or clothing.
Avoid breathing dust, vapor or mist.

FIRST AID

In all cases, call a poison control center or doctor for further treatment advice.

IF SWALLOWED, call a poison control center or doctor immediately. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person. IF ON SKIN, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. IF INHALED, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration. IF IN EYES, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

For chemical spills, leaks, fire or exposure, call CHEMTREC: (800) 424-9300.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Dispose of unused product and empty containers in accordance with federal, state and local regulations.

GENERAL INFORMATION

ProNatural® ZINC is manufactured and designed for foliar applications on plants to prevent or correct zinc deficiencies that usually occur when plants are small and may limit crop growth and yields. ProNatural ZINC is readily available and rapidly absorbed by the plant because of the natural complexing properties. It is designed for foliar, row or broadcast applications, and is water soluble and non-toxic to plants when applied as directed.

ProNatural ZINC is a yield-enhancing formulation that contains amino acid complexed zinc. ProNatural ZINC is a proprietary formulation that has been specially reacted with emulsion polymerization that provides a wide range of mixing ease with other fertilizers or chemicals.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING. KEEP FROM FREEZING.

Dilute one part ProNatural ZINC with 20 or more parts water. Apply using a spray method and in an adequate amount of water that will provide complete coverage of the plants. Use of a nonionic wetting agent may improve spray coverage of certain hard-to-wet plants. Do Not Apply Undiluted.

ProNatural ZINC can be included in a regular spray program on crops. Consult with a Wilbur-Ellis representative on compatibility with other spray materials. The rate of application will depend on the crop, stage of growth, and severity of deficiency. The maximum recommended rates are for mature, full-sized plants. Reduce the rates proportionately when spraying smaller plants.

ProNatural ZINC may be used on legumes, grain crops, root crops, cucurbits, cole crops, leafy vegetables, woody and herbaceous ornamentals, deciduous fruit, vine crops, tropical and subtropical fruit, and many other crops.

Information regarding the contents and levels of metals in this product is available on the Internet at http://www.aapfco.org/metals.htm

FIELD CROPS AND VEGETABLES: Apply 2-24 fluid ounces per acre during periods of rapid growth or nutritional stress. The applications may be repeated 2 or more times throughout the growing season.

GRAPES AND BERRIES: Make an application of 2-32 fluid ounces per acre after active growth begins. The applications may be repeated at intervals of 1 week or more through the vegetative growth period.

TREE CROPS: Make an application of 8-80 fluid ounces per acre after the beginning of active growth. The application may be repeated at 2 to 4-week intervals throughout the growing season. On deciduous trees, 2-80 fluid ounces may be applied in the oil sprays at the delayed dormant stage. Post-harvest applications of 2-80 fluid ounces may be made while active, green leaves remain on the trees.

TURF: Apply 0.5-1.0 fluid ounces per 1,000 sq. ft. during periods of active growth.

ORNAMENTAL TREES, SHRUBS, AND FLOWERING PLANTS: Dilute at a rate of 32 fluid ounces in 10 or more gallons of water and spray to complete coverage.

COMPATIBILITY

Always jar test new combinations for compatibility prior to field mixing.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
