TopGrow is an ideal foliar fertilizer that produces impressive results.

General Use Directions

Use Top Grow as a foliar fertilizer and apply to plant in early stages of growth and as needed.

Apply: 1/2 gallon per acre. For best results, do not dilute less than 9:1 or more than 40:1. Compatible with most fertilizers and other spray material. Shake or agitate before use. Always jar test before using.

Caution: Keep out of reach of children.

Harmful if swallowed. If ingested consult a physician.

In case of eye contact, flush with plenty of water for at least 15 minutes.
