

COBLEND ES[®]

COMPATIBILITY AGENT

PRINCIPAL FUNCTIONING AGENTS: (BY WEIGHT)

Aliphatic Phosphate Ester, Isopropanol and Glycol Ethers	80%
Constituents ineffective as a spray adjuvant.....	20%
TOTAL	100%

All ingredients are exempt from tolerance requirements under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN
DANGER

HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

Combustible Liquid. Harmful if swallowed. May be corrosive to metals. Causes severe skin burn and eye damage. Causes serious eye damage. Read label before use. Keep away from heat, sparks, open flames and hot surfaces. No Smoking. Keep container tightly closed. Keep only in original container. Avoid breathing dust, fume, gas, mist, vapors or spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye protection and face protection.

GENERAL INFORMATION

COBLEND ES is an effective compatibility agent for pesticide mixtures and pesticides to be mixed with liquid fertilizers. When used at the recommended label rate, **COBLEND ES** improves the stability of these mixtures and the uniformity of their application. **COBLEND ES** is most effective when added before incompatibilities occur. **COBLEND ES** may be useful to reverse incompatibilities, but generally will require higher rates.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Immediately call a POISON CENTER, doctor or physician. Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing for several minutes.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. If skin irritation occurs: Get medical advice or attention.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

DIRECTIONS FOR USE

COBLEND ES is completely soluble in most liquid fertilizers, and should be added to the fertilizer at the suggested rates, and mixed thoroughly prior to the addition of the pesticide. The entire mixture should be agitated sufficiently, to provide a uniform suspension, and agitation should be continued during application if possible.

NOTE: Consult pesticide manufacturer for recommendation of their product in liquid fertilizers.

USE SUGGESTIONS

<u>RECOMMENDED RATES</u>	<u>PER 100 GALLONS OF LIQUID FERTILIZER</u>
Liquid Complete (N-P-K) Fertilizers	3 to 4 pints
Liquid Mixed (NP) Fertilizers	2 to 3 pints
Liquid Nitrogen Fertilizers	1 to 2 pints
Wetter/Buffer	1/2 to 2 pints
Pesticides Incompatibility	1 to 4 pints

Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

STORAGE AND DISPOSAL

Storage: Store in a well-ventilated place. Keep Cool. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.

WARRANTY: Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk or any such use.
