

M7

Micronutrients for Turf and Ornamentals

GUARANTEED ANALYSIS:

Magnesium (Mg).....	1.00%
Sulfur (S).....	3.00%
Iron (Fe).....	1.00%
0.60% Chelated Iron	
Manganese (Mn).....	1.00%
Zinc (Zn).....	1.00%

Derived from Magnesium Sulfate, Ferrous Sulfate, Ferrous Citrate, Manganese Sulfate, and Zinc Sulfate.

ALSO CONTAINS NON-PLANT FOOD INGREDIENT:

0.4% Humic Acid derived from leonardite.

KEEP OUT OF REACH OF CHILDREN PRECAUTION

Do not ingest. Avoid contact with skin, eyes, or clothing.
Avoid breathing dust, vapor or mist.

FIRST AID

In all cases, call a poison control center or doctor for further treatment advice.

IF SWALLOWED, call a poison control center or doctor immediately. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person. **IF ON SKIN**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **IF INHALED**, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration. **IF IN EYES**, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

For chemical spills, leaks, fire or exposure, call CHEMTREC: (800) 424-9300.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Dispose of unused product and empty containers in accordance with Federal, State and local regulations.

GENERAL INFORMATION

LINK® M7 is a specially blended chelated liquid turf micronutrient product that promotes the development of full root systems for stronger, more vigorous turf. It also contains humic acid from natural humates, which may increase or enhance micronutrient uptake. LINK M7 provides a fast method to boost plants during stress because of micronutrient deficiencies. The magnesium, iron, and zinc supply essential elements for activating plant enzyme systems and photosynthesis. Because these micronutrients are chelated with citric acid, nutrient availability and uptake by plant and roots are enhanced. LINK M7 is nonphytotoxic when used as directed.

LINK products are formulated specifically for the professional market including greenhouse, field and container grown nursery, sports turf, and landscape maintenance managers. LINK M7 should be used as part of a comprehensive Total Nutrition System® for optimizing plant growth, development and quality.

DIRECTIONS FOR USE

LINK M7 may be applied as a foliar spray by air, ground concentrate or dilute. Maintain agitation to provide uniform distribution within spray tank. Use of a high quality CPDA approved spreader, such as R-11®, at recommended rates to improve spray cover is usually advised. Do not apply when plants are under excessive heat or moisture stress.

COOL SEASON TURF (bentgrass, bluegrass, fescue, ryegrass, and other cool season grasses): Apply 2-3 ounces per 1,000 sq. ft. in a minimum of 1 gallon of water.

DIRECTIONS FOR USE (continued)

WARM SEASON TURF (Bermudagrass, St. Augustine, Zoysia, and other warm season grasses): Apply 3-4 ounces per 1,000 sq. ft. in a minimum of 1 gallon of water.

HERBACEOUS PLANTS (including annual and perennial flowers): Apply 1-2 pints per 100 gallons of water. Spray to the point of runoff.

TREES: Apply 1-2 pints per 100 gallons of water and spray to cover.

COMPATIBILITY

LINK M7 is compatible with most liquid fertilizers, insecticides, fungicides, herbicides, and nematocides. Always check the compatibility of untested mixes. Always jar test new combinations for compatibility prior to field mixing.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
