

BLENDER

Compatibility Agent

GENERAL INFORMATION

BLENDER is formulated to increase liquid fertilizer compatibility with various pesticides including emulsifiable concentrates and wettable powders

DIRECTIONS FOR USE

For the following fertilizer blends, use BLENDER at a rate of 0.25 to 1.0% of the total mix.

24-0-0	10-34-0	28-0-0
11-37-0	7-21-7	8-8-8
32-0-0	8-16-8	8-12-0
5-10-10	20-4-0	

High phosphate fertilizers require the higher percentage concentration of BLENDER in the mix. It may be best to dilute the high phosphate blend water and add this blend to the tank after the BLENDER and the pesticide have already been blended.

High nitrogen fertilizers require the lower percentage concentrate of BLENDER in the mix.

Medium phosphate or phosphate/ potassium solutions require 0.50 to 1.0% BLENDER to total mixture.

Manufactured By:
Custom Agricultural Formulators
P.O. Box 26104, Fresno, CA 93729
800-355-4457

PRINCIPAL FUNCTIONING AGENTS: Ethoxylated Alcohol Phosphate, N-Butyl Alcohol.....79.0%
Constituents ineffective as a spray adjuvant.....21.0%
TOTAL.....100%
All ingredients are exempt from tolerance levels in CFR 40, 180,1001.

KEEP OUT OF REACH OF CHILDREN

DANGER

FIRST AID:

IF IN EYES: Immediately flush eyes with plenty of water, lifting the eyelids and rinse for 15-20 minutes. Remove contact lenses, if present, then continue rinsing. Immediately call Poison Control Center or doctor for advice.

IF ON SKIN OR HAIR: Immediately take off contaminated clothing. Rinse skin immediately with plenty of water for 10-15 minutes. Get medical attention if irritation develops or persists. Wash contaminated clothing before reuse.

IF INHALED: Move person to fresh air and keep at rest in a position comfortable for breathing if they feel unwell. If person is not breathing, call 911 or an ambulance, then give artificial respiration, mouth to mouth if possible. Immediately call poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Rinse Mouth. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything to an unconscious person.
