PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Causes skin and eye irritation. Harmful if swallowed. Do not get on skin, in eyes or on clothing. Take off contaminated clothing and wash before reuse. If swallowed, call poison center, doctor/physician if you feel unwell. Do not eat, drink or smoke when using this product. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, chewing gum, using tobacco or using the toilet.

PERSONAL PROTECTION EQUIPMENT (PPE)

Wear eye and face protection, protective gloves, clothing, shoes and socks.

FIRST AID

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 to 20 minutes.
- If skin irritation occurs, get medical advice.

IF IN EYES:

- Rinse cautiously with water for 15 to 20 minutes.
- Remove contact lenses, if present and easy to do so. Continue rinsing.
- If eye irritation persists, get medical attention.

IF SWALLOWED:

- Call a poison control center or doctor if you feel unwell.
- Rinse mouth.

(Continued)

FIRST AID (Cont.)

IF INHALED:

- Move person to fresh air and keep comfortable.
- Call poison control center or doctor for treatment advice if you feel unwell.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For emergency call CHEMTREC at 1-800-424-9300.

GENERAL INFORMATION

ZINCHE ST is an aqueous suspension suitable for seed treatment to control early zinc deficiencies prior to planting.

DIRECTIONS FOR USE

Use 8 ounces of this product diluted with an equal amount of water per 100 pounds of seed and apply as a slurry treatment by machine. This product is compatible with many of the commonly used seed treatment fungicides. Dilute with water prior to mixing with other chemicals.

Note: Treated seed must not be used for human consumption or as animal feed.

STORAGE AND DISPOSAL

Freezing temperature is 25°F (3.9°C).

Do not contaminate water, food or feed by storage or disposal.

PRODUCT DISPOSAL: Follow all governmental requirements for the disposal of agricultural spray solutions.

CONTAINER DISPOSAL: Triple rinse container. Empty rinsate into spray tank. Dispose of empty container according to approved Local practices. Contact County Agricultural Commissioner for disposal information.

WARRANTY—CONDITIONS OF SALE

OUR DIRECTIONS FOR USE of this product are based upon tests believed reliable. Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the Seller. To the extent consistent with applicable law, Buyer assumes all risks of use, storage and handling of this material not in strict accordance with the directions given herewith.

To the extent consistent with applicable law, in no case shall the Manufacturer or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product when such use and/or handling is not in strict accordance with directions given herewith. The foregoing is a condition of sale by Seller and is accepted as such by the Buyer.
