

AMSoPlus

Ammonium Sulfate Complex with a concentrated drift reduction/deposition agent for use with most herbicides

AVAILABLE IN:
2 x 2.5 case
Minibulk
Bulk

ACTIVE INGREDIENTS

Modified Glycerol Acid (Citro Phosphate) complex in nitrogen solution and siloxane	85%
Acrylamide sodium acrylate linear copolymer blend	15%
Total	100%

Ingredients are exempt from tolerance under 40 CFR 180.001 (c)

GENERAL INFORMATION

AMSoPlus is a liquid ammonium sulfate complex with built-in drift reducing/deposition properties designed to be used with any herbicide label to increase performance through:

- Controlled droplet size.
- Increased absorption into the plant's phloem through the leaf cuticle.
- Increased retention on leaf surface.
- Decreased antagonism due to calcium ion mineralization.

AMSoPlus can be used with any herbicide that calls for the use of ammonium sulfate in the tank mixture at 17 lb. (5 gal) per 100 gallon or 2-4 lb. (1.5-3.5 qt.) per acre.

USE RATES

AMSoPlus contains ammonium sulfate complex and a premeasured amount of polymeric deposition agent. To meet various label recommendations include:

- 5 gallons AMSol Plus per 100 gallons to equal 17 pounds of ammonium sulfate and sufficient deposition agent to reduce the effects of spray drift.
- 3 quarts per acre of AMSol Plus to equal 2.5 pounds of ammonium sulfate per acre and sufficient deposition agent to reduce the effects of spray drift.
- 1.2 quarts per acre of AMSol Plus to equal 1.0 pound of ammonium sulfate per acre and a proportional amount of deposition agent.

MIXING INSTRUCTIONS

SHAKE WELL OR RECIRCULATE BEFORE USE.

1. Fill sprayer 1/3 to 1/2 full of water.
2. Add AMSol Plus to agitating spray tank while filling with water.
3. Add dry flowable or dispersible granules.
4. Add emulsifiable concentrates.
5. Add additional adjuvants as required.

Caution: Keep out of the reach of children

STORAGE REQUIREMENTS

Do not store, use or spill near heat or open flame. Store in original container only, away from food or feed. Keep container closed when not in use. Do not contaminate water, feed or food by storage or disposal. Wear proper protective equipment when handling this product.

STATEMENT OF PRACTICAL TREATMENT:

Avoid contact with eyes, skin and clothing. May be harmful if swallowed. In case of eye contact, immediately flush with large quantities of water for at least 15 minutes. Call a physician. In case of skin contact, wash affected area with soap and water. Remove and launder contaminated clothing before reuse. In case of ingestion, consume 1 or 2 glasses of water and induce vomiting. **DO NOT** induce vomiting or give anything by mouth to an unconscious person. Call a physician or Poison Control Center immediately.

CONDITIONS OF SALE OF WARRANTIES

The directions for use of these products reflect the opinion of experts based on field use and test. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Manufacturer or the Seller. All such risks shall be assumed by the buyer. The manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use, subject to the inherent risks referred to above. **THE MANUFACTURER OR SELLER MAKES NO OTHER EXPRESSED OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OF ANY OTHER EXPRESSED OR IMPLIED WARRANTY. IN NO CASE, SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.** The Manufacturer and the Seller offer this product and the Buyer and User accepts it subject to the foregoing conditions of sale and warranty which may be varied only by agreement in writing signed by duly authorized representative of the manufacturer.
