Product ID. 0050

Directions For Use And Conditions Of Sale And Warranty

IMPORTANT: Read the entire **Directions for Use** and the **Conditions of Sale and Warranty** before using this product. If terms are not acceptable, return the unopened product container at once.

CONDITIONS OF SALE AND WARRANTY

The **Directions for Use** of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Makhteshim-Agan of North America or the Seller. All such risks shall be assumed by the Buyer.

WARRANTY STATEMENT

Makhteshim-Agan warrants that this product conforms to the chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any of the warranty of **MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE** express or implied, extends to the use if this product contrary to label instruction or under abnormal conditions or under conditions not reasonably foreseeable to seller and buyer assumes the risk of any such use. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

No end use for this product other than manufacturing is intended or implied by the above Conditions of Sale and Warranty.

Do not use for weed control in greenhouses.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into a herbicide for the following uses: industrial areas, noncrop areas around-the-farm, and for use in and under asphalt.

STORAGE AND DISPOSAL

Bulk: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes may be acutely hazardous. Improper disposal of unused pesticide or rinse water is a violation of federal law. If these wastes cannot be used according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance in proper disposal methods.

Thoroughly clean container before reusing.

For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of facilities during cleanup procedures and disposal of wastes. In the event of a major spill, fire, or other emergency, call 1-800-535-5053 (INFOTRAC) day or night.

55 Gallon: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes may be acutely hazardous. Improper disposal of unused pesticide or rinse water is a violation of federal law. If these wastes can not be used according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance in proper disposal methods.

Triple rinse container (or equivalent) and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup procedures and disposal of wastes. In the event of a major spill, fire, or other emergency, call 1-800-535-5053(INFOTRAC), day or night.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

DANGER

Corrosive – causes eye damage. Wear eye goggles or face shield and rubber gloves when handling. Causes skin irritation. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing spray mists. Do not get in eyes, on skin, or on clothing. Avoid contamination of food.

First Aid: In case of contact with eyes, immediately flush with plenty of water for 15 minutes and get medical attention; with skin, wash immediately with plenty of soap and water. If swallowed, drink promptly a large quantity of milk, egg whites or gelatin solution; or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately. In case of inhalation exposure, remove from contaminated areas. Wash thoroughly after handling and before eating and smoking. Remove and wash contaminated clothing before reuse.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage. Treat for circulatory shock, respiratory depression, and convulsions, if needed.

Environmental Hazards

Do not contaminate water used for irrigation or domestic purposes.

Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other water, unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Physical or Chemical Hazards

Do not use, pour, spill, or store near heat or open flame. Store at temperatures above 32°F.
