CARBON-CAL

1.75% Calcium

Humic Acids + Plant Extracts

©2005. Nutrient Technologies, Inc.

GENERAL RECOMMENDATIONS
FOR USE AS A SOIL APPLIED NUTRITIONAL SPRAY

SOIL APPLICATION: Carbo-Cal can be applied alone or with other fertilizer materials in starter, broadcast, water run, injection or side dress applications. When applying in drip systems, add Carbon-Cal after any sand filtration equipment.

COMPATIBILITY: This product is compatible with most commonly used insecticides, fungicides and acaricides. However, it is not feasible to test all possible combinations of products with which it may be mixed. A compatibility test is recommended for combinations that have not been used previously. Consult your NUTRI-TECH representative for detailed compatibility information.

CAUTION: Causes skin irritation. Avoid contact with skin, eyes, open cuts or sores. In case of contact, flush with water. Get medical attention for eyes.

**ADEQUATE AGITATION SHOULD BE
MAINTAINED AT ALL TIMES DURING
MIXING AND APPLICATION**

CAUTION
KEEP OUT OF REACH OF CHILDREN
HARMFUL IF SWALLOWED
AVOID BREATHING DUST

SUGGESTED USES

VEGETABLES AND GRAINS - Apply 1 - 5 gallons per acre per application.

GRAPES - Apply 1- 10 gallons per acre per application starting at early leaf development.

TREE CROPS - Apply 2-10 gallons per acre per application starting pre-bloom.

IN FURROW TREATMENTS: 2-6 quarts with pop-up applications

**CARBON-CAL is a special blend
of natural compounds to enhance
the performance of soil applied
fertilizer materials.**

NOTICE: Seller warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used according to directions under normal conditions on the crops specified. Because of widely varying use conditions, it is impossible to eliminate all risks even when the label directions are followed. Therefore, the manufacturer makes no other warranties, expressed or implied. The buyer assumes all risks associated with the use of this product. In the event of damage resulting from a breach of warranty, the buyer agrees to accept a refund of the purchase price as full discharge of the manufacturer's liability.
