**GENERAL:** APOHIL® is a highly refined, miscible oil adjuvant designed for use with certain potato insecticides and fungicides. **DO NOT use with tin or copper products.**

Do not apply this product in such a manner as to directly or through drift expose workers or other persons. The degree of spray application drift hazards varies with type of pesticide, application conditions, and vegetation near the spray area. Drift minimization is the responsibility of the applicator. Always consult your local and state agricultural authorities for information regarding avoiding or minimizing spray drift. In addition, follow precautionary statements on accompanying pesticide label(s).

**DIRECTIONS FOR USE:** Use APOHIL at 2-4% v/v (2-4 gallons per 100 gallons of water).

To prepare agricultural sprays containing this product, follow pesticide label mixing instructions. Agitate APOHIL prior to adding to tank mixture. Add APOHIL to spray mixture last while maintaining agitation. Agitate mixture before and during each application.

Do not apply with copper or tin based products.

AGITATE APOHIL PRIOR TO ADDING TO TANK MIXTURE.

**Note:** Care should be exercised when applying to varieties not previously treated with spray mixtures containing APOHIL. Care is also advised when sprays are applied under very humid conditions or circumstances where sprays tend to be more active. For new uses, it is recommended that small test areas be treated before using in large-scale operations.

Always check the compatibility of pesticide spray mixtures containing APOHIL in small containers before application.

It is a violation of State Law to use this product in a manner inconsistent with its labeling.

Do not enter area without protective clothing until product has dried.

**NOT FOR AQUATIC USE IN WASHINGTON.**

### STORAGE AND DISPOSAL

**STORAGE:** Store locked up. Store product in original container only. Keep tightly closed. Do not allow water to be introduced. Do not contaminate water, food, or feed by storage or disposal. Do not store this product near heat or open flame. May be stored below 32°F.

**CONTAINER DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. Dispose of contents/container on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org).

**For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.**
