GUARANTEED ANALYSIS

| | |
|-------------------------|--------|
| Sulfur (S) | 90.0% |
| 90% Free Sulfur (S) | |
| Inert Ingredients | 10.0% |
| Total | 100.0% |

Derived from: elemental sulfur.

PRODUCT DESCRIPTION

GreenSun® 90 is a degradable sulfur product in a pastille-shaped form that can be used both as a source of plant nutrient sulfur. Yearly applications of **GreenSun® 90** will improve soil sulfur levels as well as replenish sulfur loss associated with soluble plant nutrients. **GreenSun® 90** is recommended for all crops, as sulfur is required by plants to build proteins, enzymes, vitamins, and is essential in metabolic reactions.

PHYSICAL PROPERTIES

| | |
|----------------------------|------------------------|
| Density | 72 lbs/ft ³ |
| Granule Size | SGN 260 |
| Total Elemental sulfur (S) | 0.90 lbs. |
| Angle of repose | 29 degrees |

GENERAL APPLICATION AND USE RECOMMENDATIONS

GreenSun® 90 provides agronomic and economic benefits in an easy to use pastille form. It can be blended with other granular or prilled fertilizers or applied alone. Proper timing, rate, and placement is important for desired results and highly dependent on stage of crop growth, soil fertility levels, and environmental conditions. If **GreenSun® 90** is not applied on a regular basis, or if soil sulfur levels are reported as deficient, then a soluble source of sulfur should be applied in conjunction with this product. Application rates vary from 5 to 50 lbs/acre as determined by crop and soil test levels.

HANDLING AND STORAGE

GreenSun® 90 should be stored and blended (if applicable) in a well-ventilated location to minimize accumulation of dust. Always use stringent dust control procedures to prevent a concentration of flammable dust from reaching a spark or flame source. **GreenSun® 90** should not be blended or stored with strong oxidizing agents. Avoid inhalation of dust if possible. Avoid contact with skin and eyes. Wear proper protective equipment when handling. Dispose of used bags in accordance with local, state, and federal regulations.

KEEP OUT OF REACH OF CHILDREN
