BONIDE PRODUCTS, INC.
Oriskany, NY 13424

Bonide Mosquito Beater Insect Fog is a repellent for use in controlling Mosquitoes, Flies, Gnats and other annoying, flying insects. This product is exempt from registration with the Federal EPA under section 25(b) of FIFRA, and as such, is not registered with the Environmental Protection Agency. Bonide represents that this product and its ingredients qualify for exemption from registration under FIFRA.

For use outdoors in yards, patios, picnic areas, around swimming pools. Before using this product, exposed food and packaging material must be removed to protected. After using pesticide, food processing and handling equipment and utensils must be washed with an effective cleaning compound and thoroughly rinsed with potable water before operations are resumed.

SHAKE WELL BEFORE USING

Outdoors

Thermal Applications: This product is to be used undiluted in only such portable thermal applicator equipment that can deliver spray particle sizes within aerosol-size range, such as Bonide Propane Insect Fogger. For reduction in annoyance from flies, mosquitoes, gnats and small flying moths in yards, patios, around swimming pools and picnic areas. Hold thermal applicator at least five feet from any object, especially plants and shrubbery. Avoid wetting any plant foliage.

Apply undiluted at the rate of 32 ozs. per 2,900 sq. ft. Fog only when there is no breeze, or the wind velocity is less than 3 miles per hour. The ideal time is generally at dusk when the wind dies down and the air temperature and ground temperature are approximately the same. Under these conditions the fog will linger in the treated area for a longer time. Apply fog while moving away from treated area. Avoid inhalation of the fog. Do not enter the treated area until the fog has dissipated. Repeat application as necessary.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Avoid contact with eyes, skin or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS
