

SHAKE WELL BEFORE USING

## PRODUCT FACTS

### WHAT IT DOES:

Prevents and cures diseases including Powdery mildew, Black spot, Rust, Blight and Leaf spot. Kills insects on contact. Can't be washed off by rain.

### WHERE TO USE:

Outdoors on roses, flowers and shrubs.

### QUESTIONS & COMMENTS:

Call 1-800-917-5438 or visit our website at [www.spectracide.com](http://www.spectracide.com)

**STOP** READ ENTIRE LABEL BEFORE USE.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not allow people or pets to contact treated plants until spray has dried.

Do not water the treated area to the point of runoff.

Do not make applications during rain.

All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses:

1. Treatment to soil or vegetation around structures
2. Applications to lawns, turf and other vegetation

All outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as windows, doors and eaves) are limited to spot and crack-and-crevice applications only.

Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur.

Do not allow the product to enter any drain during or after application.

### USE ON

Ageratum, Aster, Azalea, Begonia, Carnation, Chrysanthemum, Iris, Lilac, Marigold, Mock-Orange, Pansy, Petunia, Privet, Rhododendron, Rose, Salvia, Snapdragon, Spirea, Sunflower, Zinnia.
