

CHB Standard Humic 12

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS:

12% Humic Acids

Derived from lignite

GENERAL INFORMATION

CHB Standard Humic 12 is a humic acids colloidal suspension extracted from oxidized lignite.

CHB Standard Humic 12 is primarily designed for soil and water run applications in combination with fertilizers. Concentrated humic acids suspension products are not always easily compatible with all liquid fertilizers. Consult your qualified Bio-Gro, Inc. representative for instructions for information on blending with specific fertilizer formulations.

DIRECTIONS FOR USE

It is recommended to shake, stir or agitate containers or tanks of CHB Standard Humic 12 just prior to usage.

Storage and Disposal - Store in original containers at temperatures **above freezing**. Dispose waste at approved disposal facility. To dispose of containers, triple rinse and dispose according to local and state regulations.

SUGGESTIONS FOR USE

CHB Standard Humic 12 can be soil applied and water run on all crops at rates of 2 to 15 gallons per acre. CHB Standard Humic 12 can also be impregnated into dry fertilizer blends.

It is best to use materials in split applications with other fertilizer and micronutrient products at 1 to 3 gallons per acre in 2 to 6 applications.

CHB Standard Humic 12 can be applied by side dress and banding equipment, water run through irrigation systems or sprayed directly on soils with other fertilizer materials.

NOTICE

Since many pesticide products can be neutralized and/or tied up by soil organic matter, it is highly recommended not to use pesticides applied directly with humic acids. Consult pesticide representative before using on a large scale.

KEEP OUT OF REACH OF CHILDREN

CAUTION - Harmful if Swallowed

PRECAUTIONARY STATEMENTS

Harmful if swallowed, inhaled or absorbed through skin. May cause eye and skin irritation. In case of contact, immediately flush eyes and/or wash skin with plenty of fresh water for at least 15 minutes.

Do not contaminate feed or food items.

Only apply this product on crops specified on this label. Use caution in application to assure coverage on intended treatment areas only.

CONDITIONS OF SALE

Seller and/or manufacturer warrants only that this product consists of the ingredients specified on this label. No one is hereby authorized to make any warranty and/or guarantee concerning the use of this product. Being that the use, timing, placement, rate, application and other conditions are beyond the control of the seller and/or manufacturer, the seller's and/or manufacturer's liability for handling, storage and use of this product is limited to replacement of product or refund of purchase price.
