Sysstem-Advance SR™

5-0-0

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfc.org/metals.htm>.

Science-Driven NutritionSM

Directions for Commercial Use:

Sysstem-Advance SR™ is intended for foliar use. Foliar: Apply 1 to 6 pints per acre with sufficient water for thorough coverage. Apply to wet – avoid over-wetting leaves and run-off. If sufficient canopy exists, Sysstem-Advance SR™ can be applied via center pivot irrigation using a fast lap. Sysstem-Advance SR™ can be applied at any time during the growing season at 7-14 day intervals for a maximum of 5 times during the growing season. However, applications are most effective when applied early to mid-season when plant demand for key micronutrients is highest. Consult Sysstem-Advance Tech Sheet for specific crop recommendations. General application timings on annual crops begin as early as 3-4 leaf stage and continue through early bloom depending on the crop. Sysstem-Advance SR™ is compatible with glyphosate and most pesticides and can be applied together if compatible. For maximum efficacy on glyphosate tolerant crops apply Sysstem-Advance SR 7-10 days after glyphosate.

APPLICATION PRECAUTIONS:

Sysstem-Advance SR™ is compatible with many fertilizers and pesticides but a compatibility check is recommended. Always ensure adequate dilution in the spray tank before adding Sysstem-Advance SR™ to any mixture. Never mix Sysstem-Advance SR™ in a concentrated form with other fertilizers or pesticides.

Guaranteed Analysis:

Total Nitrogen (N)	5.0%
Sulfur (S)	1.25%
Boron (B)	0.10%
Manganese (Mn)	2.0%
2.0% Water Soluble Manganese	
Molybdenum (Mo)	0.01%
Zinc (Zn)	4.0%

Derived from

Urea Phosphite, Boric Acid, Ammonium Molybdate, Manganese Carbonate, Zinc Oxide and Zinc Sulfate

Net Wgt 28.25 lbs / 2.5 gal

Do not mix Sysstem-Advance SR™ with pesticides that are sensitive to low pH solutions, including copper based pesticides. Do not apply in combination with citrus oils at more than 1pt/ac or 0.5%, whichever is less. Do not apply in combination with petroleum oils at more than 2qts/ac or 1.0%, whichever is less.

Do not apply Sysstem-Advance SR™ with a hand sprayer. Do not apply to wet leaf or fruit surfaces. Apply to dry plant surfaces to the point of wet. Do not over-apply to the point of run-off.

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS –
19% PHOSPHOROUS ACID

WARRANTY - 1.-The manufacturer guarantees and warrants that the content and the total net weight are as stated within lawful limits.

2.-Liability of Agro-K Corporation under this warranty or otherwise shall be limited to refund of the purchase price and such refund is expressly agreed by the buyer to be the exclusive remedy.

Agro-K Corporation makes no other expressed or implied guarantee, warranty or representation, including warranties of merchantability and fitness for a purpose.
