

LILLY MILLER®  
**GRANULAR**  
**NOXALL**®  
**VEGETATION KILLER**

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed. Do not breathe dust. Do not allow contact with eyes or skin. Get medical attention if irritation persists. Wash thoroughly after handling. Avoid contamination of feed and foodstuff. Do not enter or allow persons or pets to enter treated area until granules are thoroughly watered in and treated soil has dried. Do not apply this product in a way that will contact any person or pets, either directly or through drift. Keep people and pets out of the area during application.

**FIRST AID**

**If In Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

**If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor.

**If On Skin Or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

**ENVIRONMENTAL HAZARDS**

Cover, collect, or incorporate granules spilled on the soil surface. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwaters. This chemical has properties and characteristics associated with chemicals detected in ground water. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow may result in ground water contamination.

**USER SAFETY RECOMMENDATIONS**

**Users should:** Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should wear long-sleeved shirt and long pants, shoes and socks when applying this product. Users should remove clothing if pesticide gets inside, then wash and put on clean clothing.

**REFILLABLE!**

Reuse this handy applicator container by refilling it with Lilly Miller Granular Noxall Vegetation Killer.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only. Not for use indoors.

This product may be used in many places around your yard where you do not want anything to grow; such as driveways, gravel parking areas, walkways and paths, along fences, around buildings, and under decks.

**USE PRECAUTIONS:** This product is nonselective in action and may destroy all types of vegetation. The treated area may be totally or partially non-productive for one or more years. Apply only to areas where complete plant control is desired. Do not apply to areas on slope above lawns or susceptible crops as runoff water from treated area could cause injury.

**FOR COMPLETE, NONSELECTIVE WEED & GRASS**

**CONTROL** - Apply the contents of this container to 250 sq ft (higher rate) to 300 sq ft (lighter rate) of area. The lighter rate may be used if the weed infestation is primarily annuals. For perennial weeds and in dry soil areas the higher rate should be used. Dead weeds from previous seasons' growth do not need to be removed.

Apply this product from late fall through early spring. Applications in the Northeast and upper Midwest should be made in early spring after the ground has thawed. Do not apply to frozen ground or over the top of snow. For prompt and effective results, rainfall or other precipitation should occur within a few days of application. If air temperatures are expected to rise above 70 degrees F within one week following application, immediately scratch or water the granules into the soil. Do not seed or transplant into the treated area for 24 months.

Control of existing vegetation, such as shallow-rooted grasses and annual weeds, will occur two to three weeks after application.

Application is limited to once per year at a maximum rate of 2.8 lbs. per 250 square feet.

**STORAGE AND DISPOSAL**

Store this product in its original container out of reach of children and domestic animals. *If empty:* Do not reuse this container, except as directed for refilling. Place in trash or offer for recycling if available. *If partly filled:* Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE:** Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

Filled by weight not by volume. Product may settle after packaging.
