MANUFACTURED FOR:

HELENA CHEMICAL COMPANY
225 SCHILLING BOULEVARD, SUITE 300
COLLIERVILLE, TN 38017

FIRST AID

FIRST AID: If a known exposure occurs or is suspected, immediately start the procedures given below and contact a poison control center, physician or the nearest hospital. Describe the type and extent of exposure, the victim's symptoms and follow the advice given.

IF IN EYES: Flush with plenty of water. Call a physician.

IF SWALLOWED: Drink promptly a large quantity of milk, egg whites, gelatin solutions, or if these are not available, drink large quantities of water. Avoid alcohol.

IF INHALED: Remove victim to fresh air. If not breathing give artificial respiration, preferably mouth-to-mouth. Get medical attention if abnormal reaction occurs.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if abnormal reaction occurs.

FOR CHEMICAL EMERGENCY: Spill, leak, fire, exposure or accident call CHEMTREC 1-800-424-9300.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CORROSIVE: Causes irreversible eye damage

DANGER: Causes irreversible eye damage. Harmful if swallowed or inhaled.

May cause allergic skin reactions. Do not get in eyes. Avoid contact with skin and clothing.

PERSONAL PROTECTIVE EQUIPMENT

Applicators and other handlers must wear: Long-sleeved shirt and long pants, waterproof gloves, shoes plus socks and protective eyewear.

For exposure outdoors: Dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C).

For exposure in enclosed areas: A respirator with either an organic vapor-removing cartridge with a pre-filter approved for pesticides (MSHA/NIOSH approval number prefix TC-23C) or a canister approved for pesticides (MSHA/NIOSH approval number prefix TC-14G).

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

USER SAFETY RECOMMENDATIONS

Users should: 1) Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. 2) Remove clothing immediately if pesticide gets inside. Then wash thoroughly and out on clean clothing. 3) Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. In the event that treated seeds are spilled and cannot be salvaged, completely cover them with soil. Store in cool, dry place. Protect from excessive heat.

GENERAL INFORMATION

SEED TREATMENT: CAPTAN 50/50 is a special powder formulation for treatment of corn and soybeans seed, prior to planting, for the temporary protection of germinating

Disclaimer: Always refer to the label on the product before using Helena or any other product.

seeds and seedlings against organisms and seedling blight. This product provides 0.2 ounce of molybdenum per acre for plant nutrition and as an aid in the nitrogen fixation process of the soybean plant.

PLANTER BOX APPLICATION: Prepared for use directly in the planter box, or may be mixed in any commercial seed treater, barrel treater or rotating container, such as a cement mixer. This product contains a non-oil lubricant to help seeds to flow easily and evenly from planter box. Best protection will be obtained where evenly seed is coated with the chemical.

Do not use treated seed for food, feed or oil purposes.

KEEP PLANTER PLATES CLEAN: Grease or oil on plates can cause clogging.

NOTE: This product has been mixed with graphite as an aid in safe handling and lubrication of equipment.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR part 170. This Standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE) and restricted entry interval (REI). The requirements in this box apply to uses of this product that are covered by the Worker Protection Standard.

Do not enter or allow workers entry into treated areas during the REI of 4 hours. PPE and work clothing required for early entry to treated areas that is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil, or water, is: Coveralls, waterproof gloves, shoes plus socks and protective eyewear.

RATE OF APPLICATION

Soybeans	Corn
2 ozs. per bushel	1.33 ozs. per bushel
3.5 ozs. per 100 lbs. seed	2.4 ozs. per 100 lbs. seed

RATE OF APPLICATION

Seeds in Planter Box	Ounces of This Product	
	Soybeans	Corn
0.5 Bushel	1 oz.	0.66 oz.
1.0 Bushel	2 ozs.	1.33 ozs.

APPLICATION FOR SOYBEANS

This product is an easy to use soybean seed treatment for planter box application. Plant soybeans at the rate of one bushel per acre for proper application of molybdenum. Apply this product to seed in planter box and mix so that all seeds are covered. When this product is used in combination with an inoculant, add this product first, stir, add the inoculant, stir. Plant as soon as possible.

LABELING FOR TREATED SEED

Treated seed must not be used for human consumption nor as animal feed. Bags containing treated seed should be labeled. **"Treated Seed-Do not use for feed, food, or oil purposes."** The Federal government and some States have issued regulations for the application of special tags or labels to be affixed to bags containing treated seed.

IMPORTANT NOTICE: Empty container should be disposed by crushing and burying with wastes. Avoid inhaling dust. Avoid contact with skin. Do not contaminate feed, foodstuffs or water.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE INSTRUCTIONS: Storage should be under lock and key and secure from access by unauthorized persons and children. Storage should be in a cool, dry area away from any heat or ignition source. Avoid storage at high temperatures. Do not stack over 2 pallets high. Move containers by handlers or cases. Do not move containers from one area to another unless they are securely sealed. Keep container tightly sealed when not in use. Keep away from any puncture source. Avoid contamination with acids or alkalis. Store in original container only. If the contents are leaking or material is spilled, follow these steps:

SPECIMEN LABEL

1. Contain spill; absorb with a material such as saw dust, clay granules or dirt.
2. Collect and place in suitable containers for disposal.
3. Wash area with soap and water to remove remaining pesticide.
4. Follow washing with clean water rinse.
5. Place a leaking container in a plastic tub and transfer contents as soon as possible to an empty container.
6. Do not allow runoff to enter sewer or contaminate water supplies.
7. Dispose of waste as indicated below.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
