Teprosyn Zn/P

DOSE RATES

Beans (dry edible), Corn, Peas, Soybeans:

2 gallons per ton of seed.

Rice: 2½ gallons per ton of seed.

Small Grains: 1½ gallons per ton of seed.

METHOD OF APPLICATION

Agitate the container thoroughly before use. Care should be taken to calibrate the machine accurately, to obtain an evenly applied correct dosage.

MIXABILITY

Teprosyn products may be mixed with many agrochemical seed treatments. *Contact PHOSYN for specific information.*

STORAGE

Keep in a cool, dry chemical store, out of reach of children and livestock. *Protect from frost.*

STORAGE OF TREATED SEED

Seed treated with Teprosyn Zn/P should be drilled in season of application. Although Teprosyn Zn/P should not have any effect on storage life of treated seed, the subsequent germination and performance of such seed may be adversely affected by physical storage conditions. No liability can therefore be accepted for the performance of stored, treated seed.

PRECAUTIONS

Clean all equipment before and after use. Use eye protection and protective clothing when handling undiluted product and treated seed, to minimize exposure.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

The directions on this label are believed to be reliable and should be followed carefully. Insufficient remedy of nutritional problems on the crop derived from the seed to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions, the failure to follow the label directions, or good application practices, all of which are beyond the control of PHOSYN or the seller. In addition, failure to follow label directions may cause injury to other crops, animals, man or the environment.

PHOSYN warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in these directions for use subject to the factors noted above which are beyond the control of PHOSYN.

PHOSYN makes no other warranties or representations of any kind, express or implied, concerning the product, including **no implied warranty of merchantability or fitness for any particular purpose** and no such warranty shall be implied by law.

The exclusive remedy against PHOSYN for any cause of action relating to the handling or use of this product is a claim for damage and in no event shall damages or any other recovery of any kind against PHOSYN exceed the price of the product which causes the alleged loss, damage, injury, or other claim.

PHOSYN shall not be liable and any and all claims against PHOSYN are waived, for special, indirect, incidental, or consequential damages or expenses, of any nature, including, but not limited to, loss of profits or income, whether or not based on PHOSYN's negligence, breach of warranty, strict liability in tort or any other cause of action.

PHOSYN and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.

January 2000 - replaces all previous labels.
