

SPECIMEN LABEL

METHYLATED SOYBEAN OIL ^{PLUS}

SPRAY ADJUVANT FOR POSTEMERGENCE APPLICATION WITH HERBICIDES

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

REFER TO INSIDE OF LABEL BOOKLET FOR ADDITIONAL PRECAUTIONARY STATEMENTS AND DIRECTIONS FOR USE.

PRINCIPAL FUNCTIONING AGENTS:

Methylated Soybean Oil
and Surfactant Blend. 100.0%

Ingredients Exempt From Requirement Of Residue Tolerances
Under Title 40 CFR 180.1001.

Net Contents:

EPA Est. No. 1386-OH-1

Distributed by:
Universal Crop Protection Alliance®, LLC

Eagan, MN 55121

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

May be harmful if swallowed. Avoid contact with skin, eyes, and clothing. Wash hands after using. Remove contaminated clothing and laundry prior to reuse.

STATEMENT OF PRACTICAL TREATMENT

If In Eyes: Immediately flush eyes with large quantities of water for at least 15 minutes. Call a physician. **If On Skin:** Wash affected areas thoroughly with soap and water. **If Swallowed:** Drink plenty of water. DO NOT induce vomiting. In case of a Medical Emergency, call 1-800-228-5635, extension 138.

DIRECTIONS FOR USE

READ AND FOLLOW LABEL DIRECTIONS FOR THIS PRODUCT AND THE PRODUCTS APPLIED IN COMBINATION WITH THIS PRODUCT.

METHYLATED SOYBEAN OIL PLUS is a multicomponent herbicide spray adjuvant derived from methylated soybean oil and a nonionic surfactant blend. University tests have shown that methylated seed oils plus surfactant blends provide improved performance of certain postemergent herbicides. **METHYLATED SOYBEAN OIL PLUS** will provide improved leaf coverage and retention of herbicides on leaf surfaces for enhanced control of weeds under temperature or moisture stress. Apply **METHYLATED SOYBEAN OIL PLUS** at a rate of 1 1/2 to 2 pints per acre. The higher rate may be required when weeds are stressed due to heat or drought or populations are extremely high.

METHYLATED SOYBEAN OIL PLUS may be used as a substitute when herbicide labels recommend the addition of a crop oil concentrate or either a nonionic surfactant or crop oil concentrate to the spray mixture. Always refer to the herbicide label for additional recommendations and precautions.

ALWAYS ADD SURFACTANT LAST TO THE SPRAY MIX AND CONTINUE AGITATION WHILE FILLING THE TANK.

STORAGE AND DISPOSAL

Do not store near heat or open flame. Do not contaminate water, food, or feed by storage or disposal.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse, puncture and dispose of in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY AND LIMITATION OF DAMAGES

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use and **Buyer** assumes the risk of any use contrary to such directions. **Seller** makes no other express or implied warranty, including any other express or implied warranty of **Fitness** or of **Merchantability**, and no agent of **Seller** is authorized to do so except in writing with a specific reference to this warranty. In no event shall **Seller's** liability for any breach of warranty exceed the purchase price of the material as to which a claim is made. 9809110901
