

DYNA-FLO™ 12-3-6 PLUS

INFORMATION

Dyna-Flo 12•3•6 Plus is a complete foliar nutritional spray with amino acids and natural organic catalytic enzymes. The supplemental N•P•K aids in photosynthesis, enhances root development, better flowering, fruit set and quality. **Dyna-Flo 12•3•6 Plus** increases tolerance to temperature extremes. Humic acid promotes cell elongation. Due to the nature of humic acid, it is advisable to shake well before each use.

CROP RECOMMENDATIONS

Row Crops: 2-4 quarts per acre per application
Ornamentals: Apply 1-2 quarts per 100 gallons water
Vegetables: Apply 2-4 quarts per acre with additional applications at 1-4 quarts per acre.
Small Fruits: Blueberries, grapes, raspberries, strawberries: Apply initial application at 2 quarts per acre with weekly applications of 1-4 quarts per acre.

DIRECTIONS FOR USE

Shake Well Before Each Use – **Dyna-Flo 12•3•6 Plus** will act as a buffering agent (lower water pH) if added to spray tank prior to adding other materials. For dilute ground application, use adequate water to ensure coverage. Concentrate ground application: Use minimum

20 gallons water per acre. Air application: Apply specific rate in at least 5 gallons of water per acre. More water will give better coverage. The addition of a non-ionic surfactant will aid in more uniform coverage and uptake.

GUARANTEED ANALYSIS

12-3-6

Total Nitrogen (N)	12.00%
1.80% Nitrate Nitrogen	
10.20% Urea Nitrogen	
Available Phosphate (P ₂ O ₅)	3.00%
Soluble Potash (K ₂ O)	6.00%
Iron (Fe)	0.15%
0.15% Chelated Iron (Fe)	
Manganese (Mn)	0.20%
0.20% Chelated Manganese (Mn)	
Zinc (Zn)	0.10%
0.10% Chelated Zinc (Zn)	
Chlorine (Cl) not more than	1.00%
Cytokinin	0.0001%
<i>Derived from: Phosphoric acid, Potassium nitrate, Urea, Iron glucoheptonate, Zinc glucoheptonate, Manganese glucoheptonate and Ascophyllum nodosum</i>	
Humic Acid	1.00%
<i>Derived from Leonardite Shale.</i>	

DANGER

Causes severe skin burns and serious eye damage.

May be Corrosive to Metals

May intensify fire; oxidizer

Prevention: Do not breathe vapors, mists or sprays. Wash thoroughly after handling. Wear protective gloves, protective clothing, chemical splash proof goggles, and face protection. Keep in original container. Keep away from heat. Keep/Store away from clothing and combustible materials.

Response: If swallowed: Rinse mouth, Do NOT induce vomiting. Drink 2 glasses of water. Immediately call doctor. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. Immediately call doctor.

If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call doctor. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call doctor.

Absorb spillage to prevent material damage.

Storage: Store locked up. Store in corrosive resistant container (polyethylene, polypropylene, fiberglass - See Section 7 of SDS). Do not allow product to dry out.

Disposal: Dispose of contents/containers in accordance with local/regional/national regulations (See Section 13 of SDS). Containers may be triple rinsed and offered for recycling. **Keep away from children.** Do not drink. Do not contaminate feed, seed or water supplies.

CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal law and that they conform to the label description. Any non-conformance must be reported in writing to Seller within thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. THE SELLER'S LIABILITY ON THIS WARRANTY IS LIMITED IN AMOUNT TO THE PURCHASE PRICE OF THE PRODUCT. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THIS STATEMENT.
