

MULTITUDE™

WATER CONDITIONING AGENT • NONIONIC SURFACTANT • DEPOSITION AID

PRINCIPAL FUNCTIONING AGENTS

Ammonium salts, alkylpolyglycoside, methyl ester, and constituents ineffective as spray adjuvant.....100%
TOTAL.....100%
All ingredients are exempt from tolerance under 40 CFR 180.

**KEEP OUT OF REACH OF CHILDREN
DANGER**

DANGER

HAZARD STATEMENTS

May be harmful if swallowed.
May be harmful in contact with skin.
Causes skin irritation.
Causes serious eye damage.

PRECAUTIONARY STATEMENTS

If medical advice is needed, have product container or label at hand.
Keep out of reach of children.
Read label before use.

Prevention:

Wash hands, face and other affected areas thoroughly after handling.

Wear protective gloves/protective clothing/eye protection/face protection.

Response:

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.
IF ON SKIN: Wash with plenty of soap and water.
if skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. Call a POISON CENTER or doctor/physician if you feel unwell.

**SHAKE WELL BEFORE USING!
NET CONTENTS: 2.5 gal (9.46 L)**

ADDITIONAL FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Call a poison control center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

PRODUCT INFORMATION

MULTITUDE is a multi-purpose adjuvant system engineered to improve the performance of pesticides by minimizing the effects of hard water ion interactions when using glyphosate alone or in tank mixes in combination with formulations such as clethodim, fomesafen, diflufenzopyr, mesotrione, cloransulam methyl and others.

MULTITUDE helps to limit droplet rebound and bounce-off away from the intended surface without modifying solution viscosity.

The oil component in **MULTITUDE** enhances the effects of the tank mix partners without antagonizing the glyphosate and improves penetration of the active ingredients through waxy or epicuticular barriers for better efficacy.

MULTITUDE contains ammonium sulfate (AMS) to enhance uptake and efficacy of the active ingredients.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING!

Follow the recommendations of the most restrictive active ingredient label.

Tank mixtures should only be applied within the label recommendations of every product in the tank mixture.

Use only if a water conditioning agent, nonionic surfactant, deposition aid is allowed or not excluded on the label.

Use the higher use rate when weeds are larger, mature or hardened off such as during hot, dry weather.

If the user does not have experience with the mixture being applied, perform a jar test using the order and amounts in the mixture and perform a phytotoxicity test to ensure crop safety.

Order of addition

In general, follow the W-A-L-E-S method when adding herbicides to a tank mix.

1. Wettable Powders (WP) then Flowables (F, DF)
2. Agitate then add anti-foaming compounds, buffers
3. Liquid and Soluble products
4. Emulsifiable concentrates (EC)
5. **MULTITUDE** or other adjuvants

Prior to mixing you should fill your spray tank with half of the carrier that you intend to use. Add tank mix components according to the method above.

USE RATES

Use 0.75 to 1.5% w/v of **MULTITUDE** in the total spray volume.

The preferred use rate is 1.25% for balanced performance under most field conditions.

STORAGE AND DISPOSAL

Storage: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90 °F.

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all local, regional, national and international regulations.

Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

WARRANTY

The directions for use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of ALTITUDE CROP INNOVATIONS LLC. or the Seller. All such risks shall be assumed by the Buyer. ALTITUDE CROP INNOVATIONS LLC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above.

ALTITUDE CROP INNOVATIONS LLC. MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY. IN NO CASE SHALL ALTITUDE CROP INNOVATIONS LLC. OR THE SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALTITUDE CROP INNOVATIONS LLC. and the Seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of ALTITUDE CROP INNOVATIONS LLC.
