

MATERIAL SAFETY DATA SHEET

SECTION 1 — PRODUCT IDENTIFICATION

Product identifier: SoMo

Supplier name and address:

NutriAg Ltd.

39 Gail Grove

Toronto, Ontario, Canada

M9M 1M5

Emergency Telephone #: 613-996-6666 (Canutec)

Product use: Liquid Micronutrient Fertilizer

Chemical Name: Sodium Molybdate

Manufacturer's name and address:

Refer to Supplier

WHMIS information:

SECTION 2 — CHEMICAL COMPOSITION/HAZARDOUS INGREDIENTS

<u>Component:</u>	<u>% (weight)</u>
Sodium Molybdate	15.5%

SECTION 3 — PHYSICAL AND CHEMICAL PROPERTIES

Appearance:	Green Liquid.
Odour:	Slight
pH:	6.5 – 7.5
Specific Gravity:	1.516

SECTION 4 — FIRE AND EXPLOSION DATA

Flash Point And Method	: Non flammable
Extinguishing Media	: Dry powder, carbon dioxide, water, foam
Unusual Fire Hazards	: None known
Unusual Explosion Hazards	: None known
Special Fire Fighting	:
Procedures And Precautions	: None

SECTION 5 — REACTIVITY AND STABILITY DATA

Stability	: Stable in normal use and storage. Store in sealed containers.
Conditions to Avoid	: Excessive heat
Hazardous Polymerization	: Will not occur
Hazardous Decomposition Products	: Not known. Oxides of nitrogen and other unknown hazardous materials may be formed in a fire situation
Incompatibility (Materials to avoid)	: Strong oxidizing agents, acids.

SECTION 6 — TOXICOLOGICAL INFORMATION

Routes of exposure:	Skin contact, eye contact, inhalation and ingestion.
Eye Contact	: Mild eye irritant.
Skin Contact	: Mild skin irritant.
Inhalation	: Low toxicity. Not usually a problem.
Ingestion	: Low toxicity. Treat symptomatically.
LD50 Oral	: 5344 mg/kg

SECTION 7— FIRST AID MEASURES

Inhalation:	Immediately remove person to fresh air. If breathing stops, provide rescue breathing. If breathing is difficult, give oxygen. Obtain medical attention immediately.
Skin contact:	Immediately flush skin with running water for at least 20 minutes, while removing contaminated clothing. Obtain medical attention immediately. Launder clothing before re-use.

MSDS Preparation Date: 6 February 2009

Eye contact: Immediately flush eyes with running water for at least 20 minutes. Obtain medical attention immediately.

Ingestion: If swallowed, do NOT induce vomiting. Have victim drink one to two glasses of water to dilute material in the stomach. If milk is available it may be given after water. Obtain medical attention immediately. Never give anything by mouth to an unconscious person.

SECTION 8 — PREVENTATIVE MEASURES

Spill or Leak Procedures: Soak up on dust-free sawdust and place in a marked container Wash down area with water.

Waste Disposal: Material that cannot be used or chemically reprocessed and empty containers should be disposed of in accordance with all applicable laws and regulations.

PROTECTIVE EQUIPMENT

Ventilation and engineering controls: Use with adequate ventilation. Exhaust ventilation may be required to meet TLV requirements.

Respiratory protection: Respiratory protection is required if the airborne concentration exceeds the TLV. Use NIOSH approved respirators. For emergencies or where the airbourne concentration is not known, use a full-face air-supplied respirator. Advice should be sought from respiratory protection specialists.

Protective gloves: Wear gloves impervious to the material. Advice should be sought from glove suppliers.

Eye protection: Chemical goggles, to prevent liquid splashes from entering the eyes.

Other protective equipment: Wear chemically resistant overalls and impervious boots to prevent skin contact. A safety shower and eyewash station should be made available in the immediate working area.

STORAGE & HANDLING

Handling and Storing

Precautions: Store in a cool, dry, well-ventilated area. Protect from freezing. Do not contaminate water, food or feed by storage or disposal.

Special Shipping Information:

Transportation of Dangerous Goods (TDG) information: not regulated for transport
Shipping Description: non-hazardous, liquid micronutrient fertilizer.

SECTION 9 — PREPARATION INFORMATION

Prepared by: NutriAg Ltd.
Telephone number: 416-636-1555
Preparation date: 6 February 2009

The information contained herein is offered only as a guide to the handling of the specific material and has been prepared in good faith by technically knowledgeable personnel.
No warranty of any kind is given or implied and NutriAg Ltd. will not be liable for any damages, losses, injuries or consequential damage, which, may result from the use or reliance on any information contained herein.
