

Drench-Phos

P O S T H A R V E S T

Phosphoric Acid pH Acidifier/Buffer

FOR AGRICULTURAL USE ONLY
Not for aquatic use.

ACTIVE INGREDIENT:	
Phosphoric Acid.....	24.0%
INERT INGREDIENTS.....	76.0%
Total.....	100.0%

CA Reg. No. 64864-50012-AA
WA Reg. No. 64864-04001

EPA Est. No. 64864-WA-001

DIRECTIONS FOR USE

For use with 12.5% sodium hypochlorite solution as specified or under the direction of PACE technical representatives.

To regulate the pH of chlorinated water for fruit and vegetable processing: In chlorinated water, add one gallon of Drench-Phos for every 3 gallons of 12.5% sodium hydroxide solution that was added to the water, so that available chlorine concentrations are achieved as desired for treatment. Do NOT mix directly with chlorine or with chlorinated water containing more than 400 ppm total chlorine.

HANDLING: Causes severe skin burns and serious eye damage. May be harmful in contact with skin. Wear safety goggles or face shield, impermeable clothing, and chemical resistant gloves when handling. Do not get in eyes or on skin. Wash hands thoroughly after handling. Avoid breathing mist, vapor, or spray and only use outdoors or in a well-ventilated area. May be harmful if swallowed.

ENVIRONMENTAL HAZARD

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry, well-ventilated area away from direct sunlight. Do not freeze. May be corrosive to metals: store in corrosive resistant container with a resistant inner lining. Keep container upright to prevent leakage. Keep in original container. Do not contaminate water, food or feed by storage or disposal. Absorb spillage to prevent material damage and store in a locked location.

PRODUCT DISPOSAL: Wastes resulting from the use of this product must be disposed on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrcycle.org. Decontaminated and punctured containers may also be disposed of in a sanitary land fill.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Call a POISON CENTER or doctor for medical attention immediately. IF ON SKIN (OR HAIR): Immediately remove any contaminated clothing. Wash with plenty of soap and water. Wash contaminated clothing before reuse. If skin irritation or rash occurs: Get medical advice/attention. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF

SWALLOWED: Rinse mouth. Do not induce vomiting. Call a POISON CENTER or doctor for medical attention immediately. Refer to section 4 of the Drench-Phos SDS for further First Aid measures. If after being exposed to this product you feel unwell, contact a poison center or doctor immediately.

For more information about PACE's products, their uses and benefits, consult your PACE representative or our website at www.paceint.com.

IMPORTANT: Read the information below before using this product. If the terms are not acceptable, you should return the unopened product container immediately for a complete refund.

LIMITED WARRANTY, TERMS OF SALE, AND LIMITATION OF LIABILITY

Upon purchase or use of this product, purchaser and user agree to the following terms:

Warranty: Pace International, LLC (the Company) warrants that this product conforms to the chemical description on the label in all material respects. To the extent consistent with applicable law, except as expressly stated in the foregoing sentence, the Company makes no further warranties and expressly disclaims any implied warranties of merchantability or fitness for a particular purpose and any representation or warranty.

Terms of Sale: The Company's directions for use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, and the manner of use or application (including failure to adhere to label directions), all of which are beyond the Company's control. To the extent consistent with applicable law, all such risks are assumed by the user.

Limitation of Liability: To the extent consistent with applicable law, the exclusive remedy against the Company for any cause of action relating to the handling or use of this product is a claim for damages, and in no event shall damages or any other recovery of any kind exceed the price of the product which caused the alleged loss, damage, injury or other claim. To the extent consistent with applicable law, under no circumstances shall the Company be liable for any special, indirect, incidental or consequential damages of any kind, including loss of profits or income. To the extent consistent with applicable law, the Company and the seller offer this product, and the purchaser and user accept this product, subject to the foregoing warranty, terms of sale, and limitation of liability, which may be varied or modified only by an agreement in writing signed on behalf of the Company by an authorized representative.
