

VEGETABLE AND FIELD CROPS

General Information

GENERAL DESCRIPTION:

For foliar applications on woody perennials and herbaceous annuals and perennials, turf and green house & ornamental plants, vegetable & field crops and tree & vine crops. GREEN THUMB- LTG may be applied by ground or aerial equipment in sufficient water for proper coverage.

GREEN THUMB-LTG may be used with most fungicides, adjuvants, insecticides or nutrients. Consult with a field representative for proper rates and possible compatible combinations.

CAUTION: Do Not use GREEN THUMB-LTG in a dilution less than 8 parts water to 1 part material. Consult a technical representative for specific uses on sensitive plant tissues.
