

GREENS & TEES

General Information

PRODUCT INFORMATION

SUNBurst Liqui-Micro Mix is specially formulated to provide maximum uptake of micronutrients.

SUNBurst Liqui-Micro Mix is chelated and complexed to ensure excellent soil and foliar uptake.

SUNBurst Liqui-Micro Mix is an integral part of a complete customized liquid and granular fertilizer program. For maximum results, SUNBurst Liqui-Micro Mix should be used as part of a complete crop and turf management program.

SUNBurst Liqui-Micro Mix may be injected in small amounts on a regular basis into irrigation systems (fertigation).

It is recommended that SUNBurst Liqui-Micro Mix be injected along with SUNBurst Liqui-N+ in order to maximize the performance.

Limitations, Restrictions, and Exceptions

GREENS & TEES

Use 3 to 8 ounces per 1,000 square feet bi-monthly.
