DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

In New York State, this product may NOT be applied to any grass or turf area (lawns) within 100 feet of a water body (lake, pond, river, stream, wetland, drainage ditch). In New York State, do not make a single repeat application of this product if there are signs of renewed insect activity, but not sooner than two weeks after first application.

WHERE TO APPLY: Lawns, Around Home Foundations (Perimeter Treatment), Ornamental and Flower Gardens, and Vegetable Gardens.

WHEN TO APPLY: Apply early/proactively (in the spring/summer/ fall) to prevent infestation. Otherwise, apply at the first sign of insect activity or damage.

HOW TO APPLY: Apply this product directly to lawns, gardens or landscaped areas. Water treated area as directed on the label. Do not water to the point of run-off. See specific pest directions below for amount of product to use.

Limitations, Restrictions, and Exceptions

Vegetable Gardens

- A single application may be applied just prior to planting or after plants emerge and worked into the top 4 to 6 inches of soil. Use 1.0 lb. of product for a 500 sq. ft. area.
