

VINE CROPS

General Information

GENERAL DESCRIPTION:

A soluble iron supplement for foliar and/or drop system applications to trees & field crops, turf & greenhouse plants and various ornamental species.

5% Fe may be used with most fungicides, insecticides, adjuvants or nutrients. Consult a technical representative for proper rates and possible compatible combinations.

CAUTION: Keep out of direct sunlight and temperatures over 105 deg. F. Fill the spray tank at least 3/4 full with water before commencing with blending of various spray materials. Consult a technical representative for specific procedures and uses.
