

STONE FRUIT AND NUT CROPS

General Information

GENERAL DESCRIPTION:

A soluble zinc sulfate mineral supplement for soil applications to trees & vines, vegetable & field crops, turf & greenhouse and ornamental species.

9% Zinc may be used with most fertilizers, amendments, adjuvants or nutrients. Consult a technical representative for proper rates and possible compatible combinations.

CAUTION: Keep out of direct sunlight and temperatures over 105 deg. F. Fill the spray tank at least 3/4 full with water before commencing with blending of various spray materials. Consult a technical representative for specific procedures and uses.
