

VEGETABLE AND FIELD CROPS

General Information

GENERAL DESCRIPTION:

An especially effective calcium mineral supplement for foliar applications to trees & vines, vegetable & field crops, turf & greenhouse plants and various ornamental species.

INTEGRITY CALCIUM may be used with most fungicides, insecticides, adjuvants or nutrients. Consult a technical representative for proper rates and possible compatible combinations.

CAUTION: Possible precipitation may be experienced when combined with materials containing phosphorus, when the pH of the tank water is above 6.5 or if insufficient water volumes are used. Consult a technical representative for specific procedures and uses.
