

AQUATIC SURFACE - LOW VOLUME GROUND AND AERIAL APPLICATION

General Information

Organic-Kick is a wetting agent, sticker, activator, and penetrant all in one. Organic-Kick is a byproduct of the citrus industry, low viscosity oil. Organic-Kick helps break down the waxy cuticle on the leaf surface and helps penetrate the bud and bark area (of the woody brush), allowing a more effective uptake.

Organic-Kick can be used with insecticides, fungicides, growth regulators, herbicides and biostimulants at various rates as determined by label and field experience.
