

TURF

General Information

DESCRIPTION: Plant-Prod Solutions 20-0-15 Fertilizer is recommended for use on turf. It offers excellent coverage and control of nutrients when using low nutrient application rates and excellent turf safety when used as directed.

DIRECTIONS FOR USE: Plant-Prod Solutions 20-0-15 Fertilizer will provide approximately 7-10 days of fertility when applied as directed. Use in combination with pest control products applied on a one week schedule. Use only with pest control products that are recommended and labeled for use with fertilizers. Factors such as precipitation amount and/or frequency, clipping removal and soil texture will affect fertility rate and duration. Dissolve the recommended amount of fertilizer in at least 20 litres of water and apply to 100 square meters.
