

COOL AND WARM SEASON TURFGRASS

General Information

Product Description:

Nutra Sorb 30-0-0 is a premium nitrogen source turf and ornamental fertilizer containing slow-release urea-triazone. This form of nitrogen is efficiently absorbed by both the root and the leaf and provides a fast and sustained color response.

Limitations, Restrictions, and Exceptions

Directions for Use:

Apply with 1-2 gallons of water per 1000 sq ft. For small areas, mix 3 oz per gallon of water
