

GREENHOUSE CROPS - INTERMITTENT FEEDING

General Information

CAUTION: This fertilizer contains boron, copper, manganese, molybdenum, and zinc, and should be used only as recommended. It may prove harmful when misused.

DIRECTIONS FOR USE: Plant-Prod fertilizer is recommended for use on all plants. For tender plants, spray applications and outdoor applications in hot weather, use one half the recommended rate of application. Use warm water for fastest dissolving.

To fertilize with 100 ppm nitrogen, add 35 g Plant-Prod 28-14-14 to 100 L of water; for 200 ppm nitrogen, add 70 g to 100 L of water.
