

AIR AND GROUND - FOR BACKPACK SPRAYERS

General Information

DIRECTIONS FOR USE

WESTLINK AG SPREADER 90 is used to give optimum wetting and spreading of insecticides, miticides, fungicides, herbicides and growth regulating hormones. WESTLINK AG SPREADER 90 may be used on agricultural, forestry, turf and ornamental, industrial, structural and non-cropland sites.

WESTLINK AG SPREADER 90 is formulated from materials which do not tend to burn foliage or leave harmful residues. Use of correct quantity for smooth wetting reduces the possibility of spot injury from large pesticide droplets.

Limitations, Restrictions, and Exceptions

For backpack or hand held sprayers, use 1/2 fl. oz. per gallon of finished spray solution.
