

## ORCHARDS AND VINEYARDS

### General Information

### Soluble Dry Powder

FP-LL15 is an organic fertilizer and fish protein supplement. It can be used applied directly to the soil or used as a foliar spray application. Use during all stages of growth for improved crop quality, performance, and yeilds.

### Limitations, Restrictions, and Exceptions

### ORCHARDS AND VINEYARDS

Spray 0.5-2 lbs. FP-LL15 Fish Hydrolysate mixed in 20-400 gallons of water per acre (0.5-2 lbs. per 100 gals. Spray to cover is suggested). Begin 4-6 spray sequence at pink-bud or half leaf emergence and repeat at 7 to 10 day intervals. May be tank mixed with most orchard and vineyard spray materials.
