

ON DOGS - FLEAS, TICKS, LICE AND MANGE

General Information

HOW TO MIX AND APPLY

Unless otherwise directed, mix the recommended amount of HI-YIELD INDOOR/OUTDOOR BROAD USE INSECTICIDE INCLUDING TURF, GARDENS & ORNAMENTALS per 4 gallons of water and apply in accordance with specific Directions For Use.

Where appropriate, calculate the area to be treated by measuring the length and the width then multiply together to determine the square footage of the area to be treated.

Unless otherwise directed, apply HI-YIELD INDOOR/OUTDOOR BROAD USE INSECTICIDE INCLUDING TURF, GARDENS & ORNAMENTALS with a pump-up or other commercial type sprayer capable of delivering a coarse spray. When mixing, first fill the sprayer with half of the required amount of water, then measure and add the appropriate amount of HI-YIELD INDOOR/OUTDOOR BROAD USE INSECTICIDE INCLUDING TURF, GARDENS & ORNAMENTALS. Complete filling the sprayer with the remaining amount of required water. Shake the sprayer or initiate agitation to mix the product and water. Thorough spray coverage is necessary, but avoid spray runoff.

For large area coverage, this product may also be used through a hose-end type sprayer such as a ferti lome Air-O-Matic Hose-end Spray. Always follow the directions provided with the hose-end sprayer type for proper dilution and application of HIYIELD INDOOR/OUTDOOR BROAD USE INSECTICIDE INCLUDING TURF, GARDENS & ORNAMENTALS.

Do not use food utensils, such as measuring spoons or cups, for food purposes after use in measuring pesticides.

Limitations, Restrictions, and Exceptions

ON DOGS

To kill Fleas, Ticks, Lice and Mange and to obtain protection against reinfestation, use at the rate of 1 1/3 fl . ozs. in 1 gallon of water. Start spraying at the tail, moving rapidly and making sure that the animal's entire body is covered, including the legs and underbody.

While spraying, fluff the hair so that the spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into eyes or face. Avoid contact with genitalia.

Reapply every 35 days only as needed to control Pests. Do not treat puppies less than twelve weeks old. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication.

DO NOT use this product on Cats. Sensitivities may occur after using any pesticide product for pets. If signs of sensitivity occur, bathe pets with mild soap and water and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.
