

# SPRAY APPLICATION

## General Information

### DIRECTIONS FOR USE

FERTI-OIL is not intended for human or livestock consumption. Read the entire label and Conditions of Sale and Warranty before using FERTI-OIL. FERTI-OIL should be used at the rate of 1qt/acre. Plus recommended rates of water with other ingredients used. Due to variations in ingredients selected for mixing, water quality and other variables, compatibilities should be determined prior to batch mixing.
