

## **VEGETABLES - POTATOES - APHID**

### General Information

### DIRECTIONS FOR USE

#### When using Ortho Dial 'N Spray

1. Set dial to the setting indicated in the use directions for your specific application.
2. Pour product into sprayer to fill jar one-quarter to one-half full.
3. After spraying, unused product must be poured back into its original container.

#### When using a tank sprayer

1. Blend appropriate amount of Ortho MAX Malathion Insect Spray Concentrate with appropriate amount of water following the dilution instructions for each site-pest combination listed.
2. Operate sprayer by following the manufacturer's instructions. Spray as directed.

### Limitations, Restrictions, and Exceptions
