

## **INDOORS - FLEAS AND TICKS ON SURFACES**

### General Information

### DIRECTIONS FOR USE

#### General Precautions and Restrictions

Do not allow adults, children or pets to enter the treated area until sprays have dried.

Do not apply this product in a way that will contact adults, children or pets, either directly or through drift.

SHAKE WELL BEFORE EACH USE. Hold can upright. Do not spray up into air. Apply to surfaces only. Remove protective cap and spray directly away from face. Hold can 12-15 inches from surface being treated and spray as directed. One 16 oz can treats 34 sq ft.

Remove pets and birds and cover fish aquariums before spraying. Do not allow pets into treated areas until deposits are dry. Cover all food-handling surfaces and cover or remove all food and cooking utensils or wash thoroughly after treatment. Exposed food should be covered or removed. Do not use on edible crops.

#### Limitations, Restrictions, and Exceptions

### INDOORS

- Fleas and ticks ON SURFACES: Remove pet bedding and destroy or clean thoroughly. Spray pet resting areas. Adult fleas and larvae contacted will be killed. Replace bedding once spray has dried. Do not directly spray pets. Spray rugs and carpets where infestations are heavy. Delicate fabrics should be tested for staining in an inconspicuous area prior to use.
