

TURF AND ORNAMENTAL APPLICATIONS

General Information

GENERAL INFORMATION:

Rx Supra is a liquid formula, developed as an easy to use formulation that is compatible with most fertilizers and foliar sprays.

APPLICATION GUIDELINES:

- Proper application rates and frequency should be determined by specific conditions and plant requirements.
- Rx Supra is highly compatible with most plant nutrients.
- Spray and fertigation applications should be made with sufficient water, 50 mesh screens, and agitation throughout the application.
- When tank mixing with other chemicals, it is the responsibility of the end-user to assume compatibility and safety.
- Poly in-line filters should be replaced with stainless steel, if possible.
- Always consult your agronomist.

ALWAYS SHAKE WELL BEFORE USE.
