

ALL CROPS, TURF AND ORNAMENTAL

General Information

PRODUCT INFORMATION

STIMULAGRO is an organic concentrated water soluble liquid extract of seaweed (*Ascophyllum nodosum*). Is recommended for use on all crops, turf and ornamentals.

Limitations, Restrictions, and Exceptions

DIRECTIONS FOR USE

Apply every 14-21 days or as needed throughout the growing season.

Spray on plant foliage to the point of runoff. Apply in the morning or late evening.

Do not apply when rain is expected or irrigation is planned.

SHAKE BEFORE USE

It is recommended not to use this product with fungicides or pesticides. When mixing with other spray materials a jar compatibility is recommended.

These are general product recommendations; please consult with your sales representative for more information.
