

## **AERIAL APPLICATION**

### General Information

#### GENERAL INFORMATION

CROP MIX MAN-ZIN is formulated for field, vegetable, row, fruit, tree, vine, ornamental and turf crops.

CROP MIX MAN-ZIN may be applied through drip systems, aircraft, or by ground sprayers (high-volume or low-volume).

CROP MIX MAN-ZIN may be applied alone or with fertilizers or pesticides. It can be applied either to the plant foliage or to the soil.

CROP MIX MAN-ZIN is compatible with most pesticides and fertilizers. However, a compatibility test is recommended if the desired combination has not been used in the past.

#### DIRECTIONS FOR USE

Always add this product to spray tank before adding a pesticide.

#### Limitations, Restrictions, and Exceptions

##### Aerial Application:

Apply 1 quart per 5 to 10 gallons of water per acre.
