

SOIL APPLICATION - FOR HIGH DEFICIENCY

General Information

GENERAL INFORMATION

CM Citrus Mix Plus Mg is formulated for field, vegetable, row, fruit, tree, vine, ornamental and turf crops.

CM Citrus Mix Plus Mg may be applied through drip systems, aircraft, or via ground sprayers (high-volume or low-volume).

CM Citrus Mix Plus Mg may be applied alone or with fertilizers or pesticides. It can be applied either to the plant foliage or to the soil.

CM Citrus Mix Plus Mg is compatible with most pesticides and fertilizers. However, a compatibility test is recommended if the desired combination has not been used in the past.
