

SOIL APPLICATION - FOR FERTILIZER MAINTENANCE

General Information

GENERAL INFORMATION

CM CITRUS MIX PLUS N is formulated for field, vegetable, row, fruit, tree, vine, ornamental and turf crops.

CM CITRUS MIX PLUS N may be applied through drip systems, aircraft, or via ground sprayers (high-volume or low-volume).

CM CITRUS MIX PLUS N may be applied alone or with fertilizers or pesticides. It can be applied either to the plant foliage or to the soil.

CM CITRUS MIX PLUS N is compatible with most pesticides and fertilizers. However, a compatibility test is recommended if the desired combination has not been used in the past.
