

SOIL APPLICATION - FOR FERTILIZER MAINTENANCE

General Information

GENERAL INFORMATION

CM LIQUID NUT MIX is formulated for tree nut crops as well as field, vegetable, row, fruit, tree, vine, ornamental and turf crops.

CM LIQUID NUT MIX may be applied through drip systems, aircraft, or by ground sprayers (high-volume or low-volume). CM LIQUID NUT MIX may be applied alone or with fertilizers or pesticides. It can be applied either to the plant foliage or to the soil.

CM LIQUID NUT MIX is compatible with most pesticides and fertilizers. However, a compatibility test is recommended if the desired combination has not been used in the past.

DIRECTIONS FOR USE

Always add this product to spray tank before adding a pesticide.
