

TURF - LOW APPLICATION RATE

General Information

DIRECTIONS FOR USE

Apply only as directed during the growing season. Apply when a regular feeding of nitrogen and potassium along with micronutrients is desired.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn and sweep any product that lands on the driveway, sidewalk or street, back onto your lawn.

FLORIDA APPLICATIONS:

We recommend that you follow the Florida Green Industries BMP's at:

http://www.flaes.org/pdf/BMP_Book_final.pdf

We recommend that you follow the Florida Golf Course BMP's at

<http://www.flaes.org/pdf/glfbmp07.pdf>

Nitrogen Notice: For those states with nitrogen application restrictions, including but not limited to, MD, NH, NJ and VA, do not apply more than 4.0 lbs of this product per 1,000 sq. ft.

Phosphate Notice: This product contains the plant nutrient phosphate. In states where phosphorus restrictions are imposed, including, but not limited to MD, NH, NJ and VA, this lawn/turf fertilizer contains phosphorous and is only for nonagricultural use on (i) turf during its first growing season, (ii) on turf areas being repaired or renovated, and (iii) on turf where a soil test performed within the last 3 years indicates a phosphorous deficiency. This fertilizer is not for the routine maintenance of turf.

For all applications:

- Apply to dry foliage.
- Water in after application with a minimum of 0.2 inches to help move particles into the turf canopy.
- Do not collect clippings for at least one mowing following application to avoid particle pick-up.

Note: This product contains the micronutrient iron for extra greening and to help

prevent iron deficiency. Iron may stain concrete and other surfaces. Misapplied product to these surfaces should be removed promptly by sweeping or blowing. DO NOT WASH OFF WITH WATER.
