

WARM SEASON GRASSES

General Information

FEATURES & USE TIPS:

- Contains Avail phosphorous fertilizer enhancer, resulting in greater plant uptake of applied phosphorous.
- SGN 215 for use on fairways, roughs and other turf areas.

Refer to label for Spreader settings, application and instructions.

Limitations, Restrictions, and Exceptions

For all applications:

- Apply to dry foliage.
- Water in after application with a minimum of 0.2 inches to help move particles into the turf canopy.
- Do not collect clippings for at least one mowing following application to avoid particle pick-up.
